

AMENDMENTS - DRAWINGS

A "Replacement Sheet" for FIG. 1 is hereby submitted.

REMARKS

Drawings

The drawings stand objected to as not including reference signs mentioned in the Specification. The objection is respectfully traversed.

Specifically, applicant respectfully submits a "Replacement Drawing" sheet for FIG. 1, bearing the reference signs which were mentioned in the Specification but not shown on the formal drawing. It is noted that these reference signs are mainly for various stream numbers, and were indeed shown on the original FIG. 1, as originally submitted, but inadvertently left off of the formal FIG. 1 later submitted.

Claim Objections

Claims 1 and 4 stand objected to as requiring "heat" to be inserted prior to "transfer zone" in line 15 of both claims. The objection is respectfully traversed.

Specifically, claims 1 and 4 have been amended as kindly suggested by the Examiner.

In view of the above amendments, remarks and replacement sheet, prompt allowance is respectfully requested.

Respectfully submitted,

Date: November 7, 2006
